

Limited time FREE & DISCOUNT OFFER for staff of ASPECT !

We have recently opened our Aurora Early Learning Centre at Frenchs Forest centre only 2 mins drive from Autism Spectrum Australia (ASPECT).

Aurora ELC is founded by Dalal Lim (B. App. Science - University of Sydney), a qualified Speech Therapist with 22 years of professional experience in the Speech and Communications development of young children. As the leader and active director, her experience and passion in early childhood development and pedagogy sees herself leading a team of dedicated and well qualified educators. Dalal is also fond of her time as part of the ASPECT early intervention team prior to establishing Aurora.

We are embarking on a journey to redefine the future of child care and early learning through the emphasis on communication skill development, learning through progressive educational philosophies, healthy eating, and active lifestyle in a nurturing environment.

We are very excited to be part of this vibrant local community and are offering first 2 weeks FREE and subsequent months 10% DISCOUNT to staff of ASPECT. All you need is to present us with a letter or business card as supporting document whilst mentioning this offer when enrolling. This incredible offer is only available until 31st December 2019!

Please contact us to book your FREE tour and meet Dalal and the team.
