Aurora ELC is founded by Dalal Lim (B. App. Science - University of Sydney), a qualified Speech Therapist with 22 years of professional experience in the Speech and Communications development of young children. As the leader and active director, her experience and passion in early childhood development and pedagogy sees herself leading a team of dedicated and well qualified educators.

We are embarking on a journey to redefine the future of child care and early learning through the emphasis on communication skill development, learning through progressive educational philosophies, healthy eating, and active lifestyle in a nurturing environment.
